

Fiona Beauchamp

**AGOSCI
NATIONAL
TOUR
SPEAKER
2022**

Fiona Beauchamp is an occupational therapist with over 17 years experience working in private practice, education, adult therapy services and early intervention.

Fiona is renowned for her expertise in supporting people with complex physical needs to access technology and augmentative and alternative communication.

Fiona's skills and expertise mean she is often the first point of call for allied health professionals and a range of schools across Australia for support, education, mentoring and consultation.

Fiona is an experienced presenter, having presented at workshops, events and conferences both here in Australia and internationally.
